we have worked hard to update business communication from its 12th edition to its 13th we have added new content that instructors have asked for such as examples of business plans and sales proposals and elaborated discussion of social media use for business we ve updated content particularly in relation to communication during the covid 19 pandemic we have painstakingly cut repetitious content streamlining each section within each chapter so that it makes its point clearly and efficiently we have also reorganized regrouping like

with like so that students can more readily find the content they need we've also used singular they them and their as generic third person pronouns when the pronoun referent is indefinite for example everyone and when a person's gender is unknown in accordance with apa style and we've simplified the page layout eliminating unnecessary design elements such as horizontal lines before and after bulleted lists in short we have overhauled the textbook to create a modernized and elegant 13th edition

get to the heart of fake news and brush up on your media literacy skills as you explore the media landscape of today and where it all came from using the current and relevant research found in media culture

the thirteenth edition arrives shortly before the fiftieth anniversary of stephen w littlejohn's visionary effort in writing the first comprehensive overview of theories of communication the newest edition provides thought provoking information about communication theories to new generations of readers eager to explore a vital topic extending its contribution to the field theories of human communication now offers a guide for beginning theorists the concluding chapter demystifies the theorizing process and offers step by step guidelines to join the community of theorists who improve human experience by conceptualizing ordering explaining and managing the phenomena processes and interactions encountered in the world the authors present a comprehensive summary of major communication theories current research extensions and applications their engaging writing style and thoughtfully organized discussions make complex material accessible compelling and realistic examples link theory with everyday experiences part i sets the stage for how to think about and study communication part ii covers theories centered around the communicator message medium and social media part iii addresses theories by context relationships organizations health culture society and beyond human from the source contributions from theorists provide insight into the inspirations motivations and goals behind the theories readers explore the patterns trends trajectories and intricacies of the landscape of communication theory the coverage includes many theories important for their continuing influence in the field while discussions of emerging theories encourage thinking about issues in new ways this definitive classic and current text is an invaluable resource for future reference and illustrates the richness of communication theorizing

this book's à la carte edition is an unbound three hole punched loose leaf version of the textbook and provides students the opportunity to personalize their book by incorporating their own notes and taking only the portion of the book they need to class all at a fraction of the bound book price updated in its 13th edition joseph devito's the interpersonal communication book provides a highly interactive presentation of the theory research and skills of interpersonal communication with integrated discussions of diversity ethics workplace issues face to face and computer mediated communication and a new focus on the concept of choice in communication this thirteenth edition presents a comprehensive view of the theory and research in interpersonal communication and at the same time guides readers to improve a wide range of interpersonal skills the text emphasizes how to choose among those skills and make effective communication choices in a variety of personal social and workplace relationships

traces the linguistic rhetorical historical cultural and economic origins of our most basic beliefs and practices for successful technical writing to initiate a reckoning about who they serve and who they harm busting the myth of the communication metaphor is a transdisciplinary approach to making visible and explaining the multiple origins of why our most basic beliefs about what makes scientific and technical writing successful are wrong ineffective and harmful these tacitly held beliefs and practices collectively called the communication metaphor stand in as symbolic for a messier more reality based understanding of how writing and communication works by starting from conventional statements made by scientists technical professionals and standard textbooks that successful technical writing is short and to the point with the facts only no opinions the book traces the histories and structures of the multiple elements of the communication metaphor the text synthesizes survey results multiple strands of scholarship personal experience and original illustrations into a powerful argument for imagining a more just approach to scientific and technical writing

this book has always primarily covered operative obstetrics caesarean section in particular caesarean section has seen significant changes in practice since first introduced at the time of munro kerr so its coverage has been significantly increased to reflect current clinical thinking the authors have used the latest evidence from national guidelines and the cochrane database and they have been encouraged to interpret and evaluate evidence in order to stimulate the reader to think deeper about the subject the book is divided into subsections chapters 1 to 7 covers the antepartum period 8 to 33 cover labour and delivery 34 to 42 cover the postpartum period and 43 and 44 cover the important organizational aspects the chapters are well illustrated with figures from the previous editions and newly commissioned figures authoritative world known editors and author team presents a contemporary and pragmatic summary of recent developments in operative obstetrics contextualises practice in the history of obstetric practice accurate line drawings throughout clearly demonstrating relevant procedures and equipment advice and management for obstetricians working in resource limited areas
